Math Game: Alien Angles

✓ What I Practiced

What helped you rescue the aliens?

- | | |
|--|---------------------------------|
| <input type="checkbox"/> Estimating angles by sight | <input type="checkbox"/> Other: |
| <input type="checkbox"/> Visualizing common angles | |
| <input type="checkbox"/> Adjusting the angle carefully | |

⚙️ How I Solved It

Draw an angle you think is 60° .
Explain how you knew.

📌 Next Steps

Which angles were hardest to estimate?

How can you improve your estimation skills?

- | | |
|--|---------------------------------|
| <input type="checkbox"/> Practice with a real protractor | <input type="checkbox"/> Other: |
| <input type="checkbox"/> Visualize angles | |
