Math Game: Bridge Builder Addition

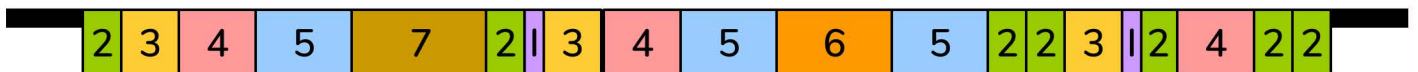

✓ What I Practiced

What helped you build low-cost bridges?

- ☐ Practiced adding in my head ☐ Other:
- ☐ Used doubles and near doubles
- ☐ Combined small blocks and traded them

⚙️ How I Solved It

Sam built a bridge but didn't make any trades.
Which blocks can Sam trade for a 15 block?

📌 Next Steps

What was tricky about building low-cost bridges?

What would make it easier?

- ☐ Make more trades ☐ Other:
- ☐ Combine blocks from other rows
