Math Game: Bridge Builder Decimals

✓ What I Practiced

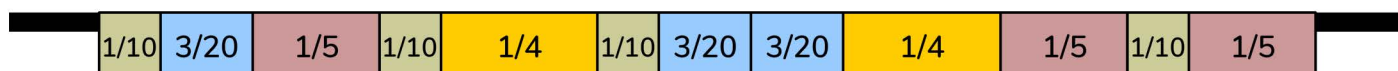

What helped you build low-cost bridges?

- ☐ Compared fractions and decimals ☐ Other:
- ☐ Compared fractions and percents
- ☐ Traded smaller blocks for larger ones

⚙️ How I Solved It

Nick built a bridge but didn't make any trades.

Which blocks can Nick trade for a 0.75 block?

📌 Next Steps

What was tricky about building low-cost bridges?

What would make it easier?

- ☐ Making more trades ☐ Other:
- ☐ Converting fractions to decimals
