Math Game: Bridge Builder Fractions

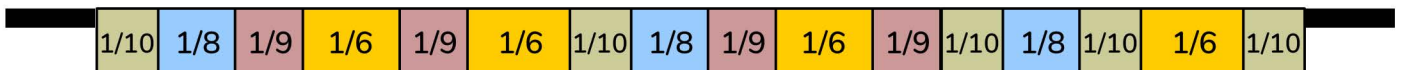

✓ What I Practiced

What helped you build low-cost bridges?

- ☐ Added fractions to reach a target ☐ Other:
- ☐ Recognized equivalent fractions
- ☐ Traded smaller fractions

⚙️ How I Solved It

Lexi built a bridge but didn't make any trades.
Which blocks can Lexi trade for a $\frac{1}{2}$ block?

📌 Next Steps

What was tricky about building low-cost bridges?

What would make it easier?

- ☐ Making more trades ☐ Other:
- ☐ Finding common denominators
