Logic Game: Cable Connector

✓ What I Practiced

What thinking skills did you use to complete the path?

☐ Planning ahead

☐ Other:

☐ Tracing pathways

☐ Visualizing connections

⚙️ How I Solved It

Did you begin the puzzle at the battery, the bulb, or somewhere in the middle? Why?

Did you ever run out of time? What did you do then?

📌 Next Steps

What was tricky about Cable Connector?

What can you do differently next time?

☐ Work backwards

☐ Other:

☐ Solve puzzles with a partner
