Math Activity: Fraction Bars

✓ What I Practiced

What fraction ideas did you notice while using the bars?

- | | |
|--|---------------------------------|
| <input type="checkbox"/> Sizes of unit fractions | <input type="checkbox"/> Other: |
| <input type="checkbox"/> Equivalent fractions | |
| <input type="checkbox"/> Numerators and denominators | |

⚙️ How I Solved It

Find 4 fractions equal to $\frac{1}{3}$.

Find 2 fractions larger than $\frac{7}{8}$.

📌 Next Steps

What will you try next time?

- | | |
|--|---------------------------------|
| <input type="checkbox"/> Build more equivalent fractions | <input type="checkbox"/> Other: |
| <input type="checkbox"/> Investigate other denominators | |
| <input type="checkbox"/> Name unlabeled fractions | |
