## Math Game: Fraction Forest Playground 2

### ✓ What I Practiced

How did you build the correct fraction pieces?

☐ Copied fractions

☐ Other:

☐ Combined fractions

☐ Identified equal fractions

### ⚙️ How I Solved It

How can Skunk turn a  $\frac{1}{6}$  meter shelf into a  $\frac{6}{9}$  meter shelf using the tools of the Fraction Forest? (copy, make equal parts, combine)

$\frac{1}{6}$

$\frac{6}{9}$

### 📌 Next Steps

How did the tools of the forest help you make new fractions?

What will you try next time?

☐ Select a new level

☐ Other:

☐ Choose a different scene
