Math Activity: Function Machine

✓ What I Practiced

What skills did you use with the function machine?

- ☐ Computed with $+$, $-$, \times , or \div ☐ Other:
- ☐ Found the rule
- ☐ Tested patterns and made predictions

⚙️ How I Solved It

What's the rule?

Input	Output
1	2
3	8
4	11

What's the rule?

Input	Output
5	2
1	0
9	4

📌 Next Steps

What was challenging about the function machines?

What will you try next time?

- ☐ Working backward from the output ☐ Other:
- ☐ Testing 0 and 1 as inputs
