Math Activity: Math Bars

✓ What I Practiced

What kinds of math did you explore with the number bars?

☐ Comparing lengths

☐ Other:

☐ Making number combinations

☐ Modeling fractions

⚙️ How I Solved It

How many different ways can
you build the number 12?

Use math bars to show that
 2×5 is the same as 5×2 .

📌 Next Steps

What did you like about the math bars?

What will you try next time?

☐ Explore fractions

☐ Other:

☐ Build larger numbers
