Math Game: Math Monster Fractions

✓ What I Practiced

What helped you make the monsters appear?

- ☐ Fractions with the same numerator ☐ Other:
- ☐ Fractions with the same denominator
- ☐ Using comparison symbols correctly

⚙️ How I Solved It

Circle the larger fraction. How do you know?

$$\frac{1}{8}$$

$$\frac{1}{10}$$

$$\frac{2}{5}$$

$$\frac{5}{8}$$

📌 Next Steps

What was tricky about this game?

What will help you do better next time?

- ☐ Visualizing the fractions ☐ Other:
- ☐ Thinking about benchmarks like $\frac{1}{2}$
