## Math Activity: Measuring Angles

### ✓ What I Practiced

Which skills helped you measure angles accurately?

- ☐ Using the correct scale      ☐ Other: \_\_\_\_\_
- ☐ Lining up the protractor
- ☐ Estimating before measuring

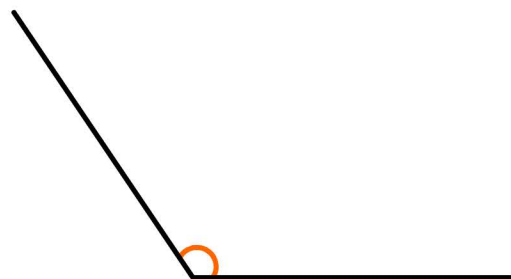

### ⚙️ How I Solved It

Estimate the angle. \_\_\_\_\_°

Measure the angle with a protractor.

\_\_\_\_\_°

Did you get the same answer?

### 📌 Next Steps

What was tricky about measuring angles?

What can you do next time to improve?

- ☐ Check the direction of the angle      ☐ Other: \_\_\_\_\_
- ☐ Line up the protractor better
