## Math Game: Neon 2048

### ✓ What I Practiced

What helped you reach larger numbers?

☐ Combined matching blocks

☐ Other:

☐ Looked for chain reactions

☐ Kept big numbers together

### ⚙️ How I Solved It

If you start with a 2 tile, what number would you make after doubling 6 times?

2    \_    \_    \_    \_    \_    \_

Describe one strategy you used in the game.

### 📌 Next Steps

What was tricky about Neon 2048?

What would help you do better next time?

☐ Combine smaller numbers first

☐ Other:

☐ Leave space for new number tiles
