Math Game: Orbit Integers

✓ What I Practiced

What powered up your space vehicle?

- | | |
|--|--|
| <input type="checkbox"/> Adding positive numbers | <input type="checkbox"/> Visualizing a number line |
| <input type="checkbox"/> Adding negative numbers | <input type="checkbox"/> Other: |
| <input type="checkbox"/> Adding unlike signs | |

⚙️ How I Solved It

Solve each problem. How did you find the sums?

$$-2 + 7 = \boxed{}$$

$$-6 + -3 = \boxed{}$$

📌 Next Steps

Which equations were the hardest to solve?

What will help you do better next time?

- | | |
|---|---------------------------------|
| <input type="checkbox"/> Use a number line | <input type="checkbox"/> Other: |
| <input type="checkbox"/> Learn addition rules | |
