Math Activity: Pattern Blocks

✓ What I Practiced

How did you use pattern blocks to explore math?

- | | |
|--|---------------------------------|
| <input type="checkbox"/> Built shapes or tiling patterns | <input type="checkbox"/> Other: |
| <input type="checkbox"/> Explored how shapes fit together | |
| <input type="checkbox"/> Used blocks to understand fractions | |

⚙️ How I Solved It

What did you discover while building with pattern blocks?

Draw something you created.

📌 Next Steps

What will you try next time?

- | | |
|---|---------------------------------|
| <input type="checkbox"/> Explore symmetry | <input type="checkbox"/> Other: |
| <input type="checkbox"/> Model simple fractions | |
| <input type="checkbox"/> Create geometric designs | |
