## Math Activity: Rescue Mission

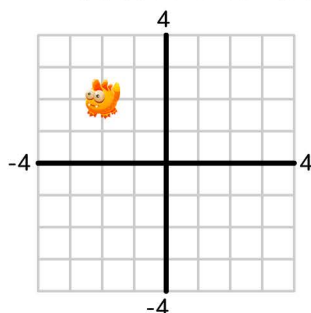

### ✓ What I Practiced

What helped you rescue the space pals?

- ☐ Identifying coordinates on a grid
- ☐ Reading x and y-values in order
- ☐ Naming points in all four quadrants
- ☐ Other:

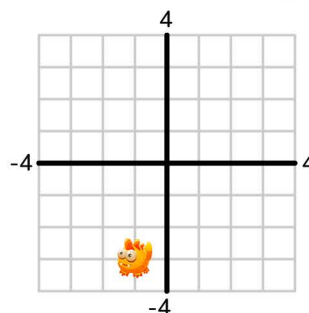

### ⚙️ How I Solved It

Where is the space pal?

(, )  
x      y

Where is the space pal?

(, )  
x      y

### 📌 Next Steps

What will help you do better next time?

- ☐ Double checking the signs
- ☐ Following each axis carefully
- ☐ Remembering x is first, y is second
- ☐ Other:
