## Math Game: Tandem Turtles

### ✓ What I Practiced

Is the number 347 closer to 340 or 350? How do you know?

How would you round 598 to the nearest ten?

### ⚙️ How I Solved It

Round the numbers to the nearest ten. Explain your thinking.

285 \_\_\_\_\_

109 \_\_\_\_\_

796 \_\_\_\_\_

### 📌 Next Steps

What kinds of rounding problems were tricky?

What will help your turtle race faster next time?

☐ Using number lines

☐ Practice with 3 digit numbers

☐ Replaying the game

☐ Other:
