Math Activity: Tangram Grid

✓ What I Practiced

What skills helped you complete the tangram grid?

☐ Rotating shapes

☐ Other:

☐ Combining smaller shapes

☐ Visualizing the whole picture

⚙️ How I Solved It

Describe your puzzle solving strategy.

How did rotating a shape help you see it in a new way?

📌 Next Steps

Which puzzle was the most challenging for you? Why?

What will help you do better next time?

☐ Start with corners or big shapes

☐ Other:

☐ Try different shapes in the same spot
